

# Alzheimers disease

Name \_\_\_\_\_

Go to

[http://www.sciencentral.com/articles/view.php3?type=article&article\\_id=218392301](http://www.sciencentral.com/articles/view.php3?type=article&article_id=218392301). Click on the video and watch it (it is less than 2 minutes) then read the article to answer the following:

1. What does the gene make that was used in these trials?
2. The first phase of trials showed that the decline of intellectual capacity was reduced by \_\_\_\_\_%.
3. What is “sham surgery”?
4. In phase 2 how will they deliver the gene?
